

Jigsaw Puzzle Gourd
Heaven Help Us! By Corlis Kent
01-12-11

- Use a pencil to draw and design, keep a damp cloth or baby wipe handy!
- Mark the top of Gourd with a level line.
- Start the vertical lines at the top of level line. Draw them all the way to the bottom. Make sure you have an even amount of rows. (I made my vertical lines 1-inch.)
- Start the horizontal line at the level line. (I made my horizontal lines 1-inch.)
